This handbook is designed to provide you with important information about Jackson Heights Schools. A productive citizen in any group must have knowledge of the expectations under which he/she works or participates. We outline these guidelines to ensure a positive learning environment for all students while assisting them to become responsible learners.

The policies outlined in this handbook are designed to serve as a guide and are not all inclusive. Likewise, because of the important self-evaluation we continuously undergo as a school, it may be appropriate to recommend some changes during the school year to the Board of Education concerning information in this handbook. Should this occur and policy changes are approved, all students and their parent(s) will be notified of any changes.

Various laws have been established by the Kansas legislature that Jackson Heights is required to follow. Because of the length of the documents, we choose not to publish them in this handbook. Should you desire to read or have access to these policies, contact us and copies will be made for you.

These documents include:

- Jackson Heights Schools Code of Conduct Misconduct – Consequences/Penalties
- Family Educational Rights and Privacy Act Policy (FERPA)
- 72-113 Compulsory Attendance Law
- 72 8901-8906 Expulsion/Suspension, Student Due Process, Appeal Process
- 72-8901a Weapons Free Schools
- 72-5209 Kansas School Immunization
- Kansas High School Activities Association Eligibility Rules for Athletes
- Kansas High School Activities Association guidelines for Rule 52

All parental and pupil complaints will be directed through the building principal. The principal will attempt to involve all parties concerned to resolve the difficulty. Appeal of the decision may be made to the Superintendent of Schools. Appeal of the decision of the superintendent of schools may be made to the Board of Education.

USD 335, Jackson County Kansas, does not discriminate on the basis of race, color, national origin, sex, age, disability, or religion in admission or access to or treatment or employment in its programs and activities. Neither will the district tolerate sexual harassment. If you have questions regarding the above, please contact the Title IX Coordinator or the Section 504 Coordinator: Adrienne Walsh, Superintendent of Schools.

## **Attendance**

### **Attendance**

In response to the QPA school improvement of developing responsible citizens, Jackson Heights High School will promote employability skills related to prompt, consistent attendance at school-moreover, the courtesy of timely notification, completion of academic responsibility, and the dignity of responsible acceptance of consequences imposed for inappropriate action/inaction. Current Kansas Statute states that every student is required by law to attend school (KSA 72-1111).

Current board of education policy states that there are two types of approved absences recognized by Jackson Heights High School: medically related absences and student educational experiences sponsored by recognized educational agencies. With the approval of the administration, a signed statement or phone call by a parent or guardian requesting absence of a student from classes will constitute a valid excuse for such absences from school up to a maximum of six (6) absences per semester. All excused/unexcused absences in excess of eight per semester will be required to make up time during ELO. All absences after six(6) will be “unexcused” unless the student presents a physician’s statement explaining the absence in some form of documentation, or other valid documentation from other sources such as dentist, court clerk, etc.

### Absences Excused

In order for any absence to be considered “excused” students must have parents or guardians call the school on or before the date of the absence or upon returning to school. A phone call or written note must occur, but it does not automatically make the absence excused. The call or note from parents is required to aid the principal in his determination. All absences will require either a phone call or written notice within 24 hours of the absence unless prior arrangements have been made. All assigned work needs to be turned in to class room teachers using the following standard: Number of days + 2.

### Absences Unexcused

As stated above, any absence not validated by phone call or written notice will remain unexcused. Absences must be excused within 24 hours of being absent.

Students identified as “skipping/cutting” and/or accumulating unexcused absences from school or classes may be required to serve detention(s). Detentions will be held as needed from 3:30 to 4:30 or during the lunch each day of the week. Students identified and not attending will face additional consequences to include suspension. Detentions will have priority over all other scheduled events or performances. It will be the responsibility of the student to bring appropriate school work and to notify parent/guardian of the necessity to detention. A zero will be given for participation points; however, all homework will be allowed to be made up within the allotted time per policy.

### Absences Excessive

As per board policy any absence after 6 needs appropriate validation for the absence to be excused. Parent or Guardian will receive a notification letter after 6 or more absences. After 8 absences, a second notification will be mailed (certified) requesting a Student Improvement Team (SIT) meeting to be scheduled with the school, parent and student. After 10 or more absences, administration will review past attendance history, and provide the parent and student an opportunity to state the reasons for the absence. If it is found that there are no valid reasons for missing school, the student will be placed on probation for the remainder of the year. **Students with excessive absences are considered students not in good standing and may be denied certain privileges at school. Examples include dances, extra- curricular activities, etc.** Continued non-validated absences could result in removal from the school. Excessive absences involving an out-of-district student will result in a recommendation to not accept the out-of-district student at the culmination of the next semester.

### CUT POLICY

Cuts are those unexcused absences where neither the parent nor the school is aware of the absence until after it occurs. A cut may be for any part of a day or for a full day. In addition to being unexcused for grading purposes, or for County Attorney notification, the following consequences will apply:

- 1st Cut – After school detention (ASD)
- 2nd Cut - After school detention (ASD)
- 3rd & 4th Cut – One (1) day of ELO. ELO will be from 3:30 to 5:45.

Students who leave a classroom without teacher permission may be subject to the above disciplinary action. If a student is requested to leave a classroom by a teacher, he/she must report to the place requested. If no place is designated, the student is to report to the office.

### **Professional Appointments**

"Professional appointment" means an appointment with and validated by a professional for medical or legal reasons, such as a doctor's appointment and/or court appearance. The Principal or their designee has the right to declare absences as "professional" when, in their opinion, situations in a student's personal life warrant their absence. Professional appointments should always be documented with a note from the professional involved. Documented professional appointments will not be counted in the 6 excused absences.

### **School Sponsored Activities**

Activities or other events scheduled by the school during school time will not be considered as absences. It is important, however, that students visit with teachers prior to the absences and if possible obtain work prior to leaving. All work is expected to be returned to class upon returning to that class.

### **Tardy**

Tardiness is defined as any appearance of a student after the scheduled time school or a class begins. Tardiness of more than ten (10) minutes to a class will be considered an absence and should not be admitted without a pass from the office. Students arriving late to school need to obtain a pass from the office prior to attending class. Tardiness within the same SEMESTER, will result in the following consequences:

Tardy 1-3: warning from instructor

Tardy 4-6; 30 minute office detention

Tardy 7-10: 1 hour after school detention (ASD)

An accumulation of 11 or more tardies will result in continued willful violation of school rules resulting in possible suspension from school. Students late to class as a result of being detained by another school official will not be considered tardy or absent, however, a valid note will need to be written by a school official to validate the lateness or absence.

### **Truancy**

An accumulation of 3 "unexcused" consecutive absences, 5 in a semester or 7 in a year constitutes truancy. In the event this occurs, the administration may contact the Jackson County Attorney and file "child in need care." Parents/guardians do have the option to waive compulsory attendance for those students 16-17 years of age. Appropriate documentation can be obtained from the building principal.

## **Daily Procedures**

### **After-School use of Facilities**

Students are not to be in school facilities before or after school hours unless properly supervised by school personnel or personnel approved by school officials.

### **Assemblies**

Assemblies can be one of the schools most inspiring functions. They are valuable only to the extent that they are desired by the students actively promoted by them. At assemblies, students will be under the supervision of all teachers. Common courtesy dictates that attention by all students should be given the program that is in progress in any assembly. The number and kinds of assemblies that will be held will be determined by student behavior. Unless there are necessary exceptions, all assemblies will be held during seminar.

**Bell Schedule**

1st Hour: 8:20-9:05    2nd Hour: 9:08-9:53    3rd Hour: 9:56- 10:41    4th Hour: 10:44-11:29  
5th Hour: 11:32-12:44(Lunch)    6th Hour: 12:47- 1:32    7th Hour: 1:35- 2:20    8th Hour: 2:23- 3:08

Any student who bullies at school, on school property, or at any school-sponsored event may be subject to disciplinary measures.

**Care of Property**

Jackson Heights has a beautiful school and well-kept campus. This is a result of long hours of work by our custodial staff and other personnel who have taken pride in it. Because staff and teachers, as well as students, respect it and not abuse it, we can maintain its appearance. In the event students choose to vandalize or destroy any school property, they will be required to pay for damages or replacement of items.

**Cell Phones**

USD 335 realizes that cell phones are valuable communications tools for students and parents; however, phones can be disruptive to the learning environment and pose potential legal issues for student's i.e. inappropriate pictures, cheating, etc.

To protect students' learning time and the school environment: **CELL PHONES ARE NOT TO BE USED OR VISIBLE WHEN CLASSES ARE IN SESSION.** If a student is seen using a cell phone, or if the phone disrupts class in any way, it will be taken away and sent to the office. **IF A STUDENT IS CAUGHT USING A CELL PHONE DURING** any type of testing, the student may earn zero on the test.

- 1st offense.....Return phone at end of day
- 2nd offense.....Parent will pick up
- 3rd offense.....Parent to pick up. Student will no longer be allowed to have said device on school property during the school day.

Additional violations will result in consequences up to and including suspension for open defiance. Cell phones and other electronic devices may be allowed at the discretion of the classroom teacher, as part of instruction. The school is not responsible for lost or stolen items of this nature, nor

will administrative staff time be used to search for the above lost items. Student pagers and laser pointers are not allowed in school.

### **Changes to Class Schedules**

All schedule changes should be completed by the end of the third school day of the semester. Students wishing to change classes should meet with the counselor to determine appropriate placement. Paperwork may then be obtained. Permission for the change must be given by the teacher of the new class to be taken, as well as a parent and the administration.

### **Closed Noon Hour and Lunches**

Students will not leave the building during their scheduled lunch time.

### **College Visitations**

Seniors may be excused from school to make TWO (2) school visits during the school year to visit regent's universities, technical schools and/or junior colleges. Prior arrangements will be made through the counseling office. To visit regent's universities, students have to be maintaining a regent's recommended curriculum. Registration or the completion of the ACT will also be a requirement before visiting Junior Colleges or regents universities.

### **Electronic Devices (MP3/Ipods, Etc.)**

Student use of an electronic music/gaming device in the classroom is at the discretion of the teacher. Upon a violation of this policy, the student will be referred to the office and the electronic device will be retained by an administrator and returned to the parent. Laser pointers are not allowed in school.

USD 335 is not responsible for lost or stolen cell phones or electronic items students bring to school, nor will administrative staff time be used to search for the above lost items.

### **Extended Learning Opportunity (ELO)**

Extended Learning Opportunity will be every Wednesday from 3:30pm to 5:45pm or whenever the activity bus is scheduled to leave. Students who are assigned to ELO for failing classes will be allowed to ride the activity bus. Students who are attending ELO for absences or other discipline detentions will not be allowed to ride the activity bus. Criteria for attending ELO:

1. Any student who has a current grade of F for any subject matter. Students will be required to attend ELO until they no longer have an F.

### **Fire Drills**

When the fire signal is heard, students are to pass quickly and quietly from the building according to posted instructions. Absolute order is essential to assure the safety of all students. Please exit the building a minimum of 100 feet. Any adult employee of the school who is in close proximity to a student known to have disabilities will assist them to a designated place of safety.

### **Lock Down Procedures**

1. A PA announcement will advise the building to go into lock down mode.
2. Students must follow the directions of the teacher/staff in the classroom.
3. Students that are in the commons area or restroom must immediately report to the nearest classroom. (Because all classroom doors will be locked immediately)

### **Grade Reports – High School/Middle School**

Grade reports can be accessed via Power School. If you are needing your password and username, please contact the school. Access to this technology is available through the office or the director of technology, Vern Andrews or Joel Hesed, director of student services. Failing grade notifications will be made via email to the student on a weekly basis. All end-of-year work will need to be completed prior to checking out of school. Exceptions to this may be approved by the principal.

### **Hallway Passes:**

Students are expected to have a valid pass any time they are in the halls during class time. Teachers issue classroom passes when a student leaves the room to go to other classrooms, bathroom, office, guidance etc. At the same time, the office, guidance, health, library etc. are also responsible for issuing passes as needed. Teachers are not to retain students in class after passing bells have rung nor are they to allow/encourage students to come to their classes when students are assigned to other classes or areas.

Though addressed in seminar guidelines, all students are to carry a seminar pass when leaving or passing during seminar.

### **Hazing**

There shall be no hazing of any kind in North Jackson, USD 335.

### **Locker Policy**

Student lockers are the property of Jackson Heights. From time to time locker inspections may be conducted to assure school officials nothing that violates the law or board policy is in a student locker. It is strongly recommended that students not bring valuables or large amounts of money to school. If it necessary to bring valuables or money to school, it is wise to leave these items in the office. Do not store these items in a locker unless a lock is placed on the locker. If locks are used and not school issued, please leave the office a combination or extra key in the event the school would find it necessary to inspect all lockers. District is not responsible for lost, damaged or stolen property.

Juniors will be given the option to take the class or opt out. This policy is only negotiable when a student would be unable to acquire the credits to graduate on time if required to take these MTSS classes. Students who have met the standard on the state assessments and score within two grade levels of national average on STAR can still be placed in an MTSS class with parent and teacher agreement. Students with an IEP for Math and/or ELA are exempt from this policy.

### **Out-of-State Trips**

Requests for trips out-of-state will be considered by school officials on the conditions the trip involves competition in which students qualify and necessary funds are available or the organization/group is able to fund the trip needing board approval to travel out of state. Any approved out-of-state district-funded trip will be asked to make a presentation to the board of education upon their return highlighting activities participated in and ideas/knowledge learned/gained.

### **Parent-Teacher Conferences**

Conferences between parents and teachers are encouraged at any time and should be arranged by telephone through the principal's office. However, the district will set aside school days each year in which conferences may be held. Classes will not be scheduled on those days.

### **Parking Lot**

- Students may be selected randomly for a screening prior to entering the activity using random sampling techniques.
- Students may be given a screening at any time if the school administration has a reasonable suspicion of alcohol consumption.

- Will receive consequences according to USD 335 Policy;

- Will have their parent/guardian contacted, informed of the positive test, and required to remove the student. An adult over the age of 21 may be designated as the parent/guardian representative.

Students who refuse to take the test:

- Will not be forced to take the test.

- Will have their parent/guardian contacted and informed of the refusal. An adult over the age of 21 may be designated as the parent/guardian representative.

If necessary (i.e. reasonable suspicion of alcohol consumption exists), the parent/guardian will be contacted and required to remove the student. An adult over the age of 21 may be designated as the parent/guardian representative. If the school is unable to make such contact or if after contact such person does not remove the student, or if the student is 18 or older and has not made such a designation, the school may contact law enforcement.

### **Promotion and Retention**

The promotion and retention of children is the responsibility of the classroom teacher. The board feels that the professional staff can be depended upon to make their decisions in the best interests of the student. However, the board considers it very important to have good public relations that parties be consulted and pre-informed at an early date when retention or loss of credit is advisable.

### **School Parties/Dances**

School parties, dances, and other social events shall be held on the school premises, using school facilities. If any exception is made to this rule, it must be approved by the principal/superintendent. Classes and organizations will be allowed one social function during the year. Scheduled functions/parties must be entered on the school calendar at least two weeks in advance. Only members of the particular organization holding the party may attend unless outside dates have been approved by the principal. Names of dates must be registered with the office prior to approval (prom). Any former student who has dropped from Jackson Heights not in good standing and is not currently enrolled in or maintaining current status in an alternative school or the GED program will not be approved to attend Jackson Heights parties/dances.

### **School Safety**

In order to maintain an element of safety and security, with the exception of outside activities supervised by a coach/sponsor, all students are to enter and exit the building during the school day via the front office area. Students traveling to and from the grade school may enter and exit via the middle school entry way during the school day. All other exits will be secured after school takes up daily. Students identified as “blocking open” other exits or entry ways to the building will face disciplinary consequences.

### **School Trips**

The policy of USD 335 is that when school trips are taken by the students, with the approval of school officials, they must travel by the means of transportation designated by the school. On all trips away from school, the students must return by the same means of transportation as they had assigned to them for the outgoing trip. The person in charge of the trip may excuse a student to their parents but to no one else unless prior arrangements have been made.

### **Seminar**

Seminar is a required part of each student’s schedule. The main purpose of seminar is provide students with the opportunity and responsibility to seek individual help from teachers, participate in school improvement activities, hold group activities/meetings, and participate in other scheduled events, assemblies, etc. that do not disturb the scheduled academic day. Students will

need a seminar pass if they plan to visit a specific seminar. This pass is needed prior to seminar time. No pass will result in remaining with your assigned seminar teacher.

### **Student Dress**

Each student should make it a habit to look his/her best at all times. He/she should strive to feel his/her best by practice of cleanliness and attractive grooming. The school board feels the appearance and dress of any individual or group greatly influences attitudes of behavior. The school board feels that a certain amount of dress guidelines should be in force for all students to reach the vital goals for youth in education. The following dress code has been adopted:

Charging to this account will not be permitted if \$16 or more has already been charged to the account. However, such students will be allowed to purchase a meal if the student pays for the meal when it is received. Students who have charged the maximum allowance to this account and cannot pay out of pocket for a meal will be provided an alternate meal.

At least one warning shall be provided to a student and his/her parent or guardian prior to denying meals for exceeding the district’s charge limit. If payment of the negative balance is not received within 5 working days of the maximum charge limit being attained, the debt will be turned over to the superintendent or superintendent’s designee for collection in accordance with board policy DP. If the debt is not paid within 10 days of the final notice of the negative account balance under policy DP, it shall be considered bad debt for the purposes of federal law concerning unpaid meal charges.

Payments for school meals may be made at either school office. Students, parents, and guardians of students are encouraged to prepay meal costs and sign up for PowerSchool messages that provide account balances. Written notices are sent home with students for lunch accounts daily beginning when there is a balance of \$3.50.

### Eligibility

Activities provide students with opportunities for developing skills, physical fitness, close cooperation in a common endeavor and the privilege to boost fellow students and the school. Each eligible student is encouraged to participate in the sport(s) or activity (ies) he/she prefers. KSHSAA requires that all students participating in KSHSAA sanctioned activities be currently enrolled in five classes of unit weight and have passed five classes of unit weight the previous semester to be eligible. According to the KSHSAA guidelines a student's eligibility is determined by the previous semester and continues until the end of the current semester. Therefore, if a student is ineligible according to KSHSAA rules he/she may not participate for the entire semester. Students also need to have a current physical and parental consent/proof of insurance form on file.

The Kansas State High School Activities Association guidelines will be followed with respect to student activity participation. The policy is intended to clearly state that the school will address incidents as presented to the administration and will not "police" the community looking for violators.

1. Student participants in any Jackson Heights activity/sport who use controlled substances (other than prescribed by a physician) during the season/length of the activity shall be excluded from participation in the next KSHSAA sponsored event or school-scheduled event. *The exception would be if the student is facing suspension, then discipline codes will take precedents.* Controlled substances for this policy include alcohol, tobacco, and illegal drugs.

### **Suspended Students – Not in Good Standing**

Students suspended in school or out-of-school shall be considered “not in good standing” during the time of the suspension. A suspension will be considered complete at the end of a calendar day. Suspended students will not be allowed to travel with the team or group on any trips during the suspension. Following are the rules and regulations pertaining to riding school buses as set by the board of education:

- a. The operator shall assign a seat to each student and each student must be provided a seat. Students shall occupy these assigned seats while they are on the school bus. They shall not move to another seat unless ordered to do so by the operator.
- b. Pupils must be on time, as the bus cannot wait for those who are tardy.
- c. Unnecessary conversation with the operator is prohibited. Students shall not talk in a loud voice or otherwise distract the operator's attention.
- d. Outside of ordinary conversation, classroom conduct is to be observed.
- e. Pupils shall not throw waste paper or their rubbish on the floor of the bus.
- f. Pupils shall not at any time extend arms or head out of the bus windows.
- g. Any damage to the bus is to be reported at once to the operator. If the pupil is responsible for the damage, he will be expected to pay for it.
- h. Pupils shall not fight on the bus.
- i. Pupils transported in a school bus shall be under the authority of and be responsible directly to the operator of the bus, unless otherwise assigned by school authorities. The operator is in charge of the pupils and the bus. Pupils must obey the operator promptly and cheerfully.
- j. Students riding a bus during a stormy season should be advised to listen to their home radio for storm warnings and not attempt to reach school when so forewarned.

### **Bus Conduct**

The bus is an extension of school and students are expected to behave appropriately when riding it. Parents will receive copies of bus conduct reports from the driver and are encouraged to work with the driver to fix the problem. Third offenses will result in suspension from the bus for 3-5 school days. The administrator reserves the right to suspend a student from riding the bus before the third offense if extreme behavior occurs. Examples of this could include destruction of property or fighting.

Expectations for students on the school bus are as follows:

1. Follow directions from the bus driver.
2. Remain seated while the bus is moving.
3. Use school appropriate language.
4. Treat the bus driver and all students with respect.
5. Assist the bus driver with taking care of the bus by picking up trash and not damaging the bus.
6. Keep your hands to yourself.
